

HEALTHY HOLIDAYS

Basic medical checkups: special promotion

Special promotion: Medical check-ups in Cuba.

Prevention is vital for maintaining health. Periodic clinical evaluations, complemented by basic and specialized tests, not only allow the ratification of good health condition, but also, make it possible to do early diagnosis of clinical disorders or diseases that, at early stages, have medical solution.

Comercializadora de Servicios Médicos Cubanos, S.A. (Cuban Medical Services, SA), presents a very special promotion for the healthcare services provided in Cuba by several institutions such as Cira Garcia Central Clinic, Camilo Cienfuegos International Center of Retinitis Pigmentosa, La Pradera International Health Center, and international clinics located in tourist destinations like Varadero, Cayo Coco and Cayo Santa Maria among other health institutions in each province.

This promotion consists of basic medical evaluation programs -with competitive prices-, which can be combined with an attractive program of dental evaluation.

So, if you're vacationing in Cuba, or if you are planning to come and need general medical evaluation and diagnostic tests for subsequent treatments, please, send us an email: smc@smcsalud.cu, or ventas.sma@smcsalud.cu.
